

PVE Neighborhood Watch

Street Meets Process Instructions for Block Captains/Hosts

What Is a Street Meet?

A Street Meet is an informal, one-hour gathering of neighbors in a cul-de-sac, driveway, or front yard. It provides an opportunity for neighbors to meet one another, connect with PVE Police Department officers and PVE Neighborhood Watch volunteers, and learn more about keeping their homes, cars, and neighborhood safe.

Topics may include current crime trends, crime prevention, emergency preparedness, and the importance of working together during an emergency or disaster.

Most importantly, a Street Meet is a chance to **build relationships with your neighbors before you need them.**

Who Does What?

Street Meet Event Coordinator

The Event Coordinator takes the lead in organizing the Street Meet and serves as the primary point of contact for the host, BC/AC, and PVE PD/EPCOC.

The Event Coordinator:

- Coordinates the date and time.
- Works with the BC/AC to identify the neighborhood and homes to invite.
- Works with the host to select the meeting location.
- Helps determine the topics to be discussed.
- Coordinates preparation and distribution of the flyer.
- Provides any optional refreshments and water.
- Helps coordinate setup and cleanup.

Area Coordinator (AC) / Block Captain (BC)

The AC/BC helps the Event Coordinator:

- Identify the street or neighborhood to invite.
- Determine which nearby streets should also be invited.
- Distribute flyers.
- Encourage neighbors to attend.
- Help recruit new Block Captains, when appropriate.
- Provide reminder calls or messages to key neighbors before the event.
- Assist with setup and welcoming neighbors.

PVE PD / EPCOC

PVE PD/EPCOC will:

- Coordinate police participation.
- Help identify appropriate topics and information to share.
- Provide printed Neighborhood Watch or police materials, as appropriate.
- Participate in the Street Meet and answer residents' questions.

Host

The host provides the location for the Street Meet, such as a driveway or front yard, and works with the Event Coordinator to determine the best setup.

Planning the Street Meet

1. Select the Neighborhood

- Work with the AC/BC to identify the street or neighborhood you would like to invite.
- Consider including one or two nearby streets. This can increase attendance and provide an opportunity to introduce Neighborhood Watch to residents who may be interested in becoming Block Captains.

2. Select the Date and Time

- Suggest **2–3 possible dates and times** that work for you.
- Coordinate with the AC/BC and PVE PD/EPCOC to select the final date and time.
- Plan for the Street Meet to last approximately **one hour**.

3. Select the Location

- Work with the host homeowner to determine the best location.
- Possible locations include:
 - A driveway
 - A front yard
 - A cul-de-sac
- The location should provide a safe and comfortable area for residents, police officers, and Neighborhood Watch volunteers.
- If possible, provide a **6-foot table and a few chairs**, particularly for elderly residents or anyone who may have difficulty standing for an extended period.

4. Select the Topics

- Use the Street Meet flyer template as a starting point.
- Select the topics you would like to discuss. You may:
 - Keep the suggested topics.

- Add additional topics.
- Remove topics that aren't relevant to your neighborhood.
- Possible topics include:
 - Current crime trends
 - Home security
 - Vehicle security
 - Neighborhood awareness
 - Emergency preparedness
 - Disaster preparedness
 - Neighborhood Watch
 - Recruiting Block Captains

5. Prepare the Flyer

- Finalize the flyer with the date, time, location, and selected topics.
- Make sure the flyer is ready for distribution approximately **two weeks before the event**, if possible.

Street Meet Timeline

3–4 Weeks Before the Event

- Identify the neighborhood and homes to be invited.
- Select a host and determine the meeting location.
- Suggest 2–3 possible dates and times.
- Coordinate with the AC/BC and PVE PD/EPCOC.
- Confirm the final date and time.
- Decide on the topics to be discussed.
- Prepare the Street Meet flyer.

2 Weeks Before the Event

- Distribute flyers to all invited addresses.
- PVE Neighborhood Watch will email the invitation and flyer to appropriate Neighborhood Watch members.
- Encourage Block Captains and Area Coordinators to personally invite neighbors whenever possible.

1 Week Before the Event

- AC/BC will provide reminders to key neighbors and Neighborhood Watch members, as appropriate.
- Confirm that the host, Event Coordinator, AC/BC, and PVE PD/EPCOC have the correct date, time, and location.
- Confirm that any needed tables, chairs, refreshments, and printed materials are available.

Day Before the Event

- Event Coordinator confirms the event with PVE PD/EPCOC.
- PVE Neighborhood Watch sends an email reminder with the flyer to Neighborhood Watch members.
- Check the weather and make any necessary adjustments with the host and PVE PD/EPCOC.

Day of the Event

30–45 Minutes Before

The Event Coordinator, PVE PD/EPCOC, and AC/BC should arrive approximately **30–45 minutes before the event**.

- Set up the table and chairs.
- Set out printed materials.
- Set out optional refreshments and water.
- Make sure the meeting area is safe and ready for guests.
- Review the order of the event and topics with the participating PVE PD officer and Neighborhood Watch volunteers.

During the Street Meet

- Welcome residents as they arrive.
- Introduce the Event Coordinator, AC/BC, Neighborhood Watch volunteers, and PVE PD officers.
- Briefly explain the purpose of the Street Meet.
- Discuss the selected safety and preparedness topics.
- Allow time for residents to ask questions.
- Provide Neighborhood Watch information and membership materials.
- Encourage residents to get involved and consider becoming a Block Captain.
- Keep the atmosphere relaxed, friendly, and conversational.

Remember: **The goal is not to hold a formal meeting. The goal is to bring neighbors together, build relationships, share useful information, and strengthen our community.**

After the Event

- Thank the host, PVE PD officers, volunteers, and neighbors for participating.
- Clean up the meeting area.
- Collect any unused materials.
- Follow up on questions or issues that require additional information.
- Share any potential Block Captain leads with the appropriate AC/BC.

Street Meet Quick Checklist

Before the Event

- Neighborhood selected
- Host/location confirmed
- Date and time confirmed
- PVE PD/EPCOC confirmed
- Topics selected
- Flyer prepared
- Flyers distributed
- Email invitation sent
- Reminder sent
- Table/chairs arranged
- Printed materials ready
- Optional refreshments/water ready

Day of Event

- Arrive 30–45 minutes early
- Set up
- Welcome neighbors
- Introduce participants
- Discuss safety topics
- Allow time for questions
- Share Neighborhood Watch information
- Encourage Block Captain participation
- Clean up

The Goal

Meet your neighbors. Know your neighbors. Look out for one another.

A successful Street Meet doesn't have to be big or formal. Even a small gathering can help create the relationships and communication that make a neighborhood safer and stronger.
