

Neighborhood Watch - Area Coordinator Checklist

Area Coordinator Contact Information

Name: _____

Phone: _____

Email: _____

Regular Responsibilities

- Maintain contact with block captains and volunteers.
- Share crime-prevention and community safety information.
- Pass information from residents to police or local authority contacts.
- Keep the area's communication network current.
- Support and encourage local coordinators or block captains.
- Track new residents and help welcome them into the scheme.
- Keep a current list of meetings, contacts, and active volunteers.

Meetings and Coordination

- Arrange or chair area meetings.
- Prepare agendas and keep meetings focused and productive.
- Help plan training sessions or guest speaker presentations.
- Follow up on action items after meetings.
- Help solve issues raised by block captains or residents.
- Coordinate with sub-groups or committees, if used.

Community Engagement

- Recruit and retain volunteers.
- Encourage participation from seniors, renters, families, and working residents.
- Share information through newsletters, email, text, or other approved methods.
- Promote neighborhood events and crime-prevention campaigns.
- Build relationships with local stakeholders and community partners.

Safety and Crime Prevention

- Share local crime trends and prevention tips.
- Support home security and personal safety awareness.
- Remind residents to observe and report suspicious activity.
- Encourage residents to call police or emergency services when appropriate.
- Reinforce that volunteers do not investigate or confront suspects.

Administration and Records

- Keep attendance records for meetings and training.
- Maintain a current map or list of participating households, if used.
- Store notes, contacts, and reports securely.
- Update rosters when volunteers move or step down.
- Prepare a transition file for the next coordinator.

Communication and Liaison

- Act as a link between volunteers, police, local authority, and other agencies.
- Share official information quickly and accurately.
- Correct rumors or misinformation promptly.
- Confirm important announcements reach all blocks.
- Keep communication respectful, factual, and timely.

Leadership and Oversight

- Support block captains in their roles.
- Identify areas that need more volunteer coverage.
- Encourage collaboration across the area.
- Monitor progress on action plans and priorities.
- Review what is working and what needs improvement.
