

# **PVE Neighborhood Watch Area Coordinator Training and Best Practices**

# Role of the Area Coordinator

- **Serve as the Neighborhood Watch leader for your area.**
  - Residents who have questions about Neighborhood Watch, suspicious activity, or volunteer opportunities know they can contact you for guidance.
- **Support and mentor Block Captains.**
  - A new Block Captain is unsure how to introduce themselves to neighbors. You provide a sample welcome email and offer advice.
- **Promote communication, preparedness, and community engagement.**
  - You send quarterly newsletters, encourage emergency preparedness, and organize a neighborhood gathering.
- **Act as a liaison with leadership and public safety partners.**
  - You share information from the PVE Police Department with your Block Captains and relay neighborhood concerns to Neighborhood Watch leadership.

# Mission and Objectives

- **Build stronger neighborhood connections.**
  - Encourage neighbors to learn each other's names and exchange contact information.
- **Improve awareness of safety concerns.**
  - Share information about recent vehicle break-ins and remind residents to lock their cars.
- **Encourage reporting of suspicious activity.**
  - Teach residents that suspicious activity should be reported to the Police Department immediately rather than posted only on social media.
- **Increase emergency preparedness.**
  - Encourage families to maintain emergency supplies and communication plans.
- **Create a welcoming and informed community.**
  - Ensure new residents receive a Neighborhood Watch welcome packet and invitation to participate.
