

PALOS VERDES ESTATES NEIGHBORHOOD WATCH

Area Coordinator — Role Description & Application

ROLE OVERVIEW

A Neighborhood Watch Area Coordinator is a volunteer community leader who serves as the primary bridge between local law enforcement and neighborhood residents. They are responsible for organizing, expanding, and sustaining the Neighborhood Watch program across a designated area — ensuring that critical safety information, crime alerts, and emergency preparedness resources flow efficiently from the police to the community.

CORE RESPONSIBILITIES

Liaison & Communication

- Serve as the primary contact between local law enforcement and the neighborhood.
- Receive and promptly distribute crime alerts, safety advisories, and prevention tips to Block Captains and residents.

Volunteer & Network Management

- Organize and oversee the full network of Block Captains, ensuring complete coverage of the designated area.
- Actively recruit and train replacements for any vacant Block Captain positions.

Meetings & Community Engagement

- Plan and coordinate neighborhood-wide meetings and crime prevention training programs.
- Encourage Block Captains to hold local gatherings at minimum biannually to discuss safety concerns and emergency preparedness.

Record Keeping & Confidentiality

- Maintain an accurate, up-to-date roster of participants including names, addresses, and contact information.
- Handle all sensitive law enforcement information with appropriate discretion and confidentiality.

Resource Management

- Obtain and distribute Neighborhood Watch materials including educational pamphlets.

KEY SKILLS

- Strong Communication — Relay clear, accurate information quickly across multiple channels.
- Leadership & Organization — Mobilize volunteers, delegate tasks, and sustain resident engagement.
- Reliability — Respond consistently to law enforcement updates and community needs.
