

PVE NEIGHBORHOOD WATCH

AREA COORDINATOR

SELECTION PROCESS & PROCEDURES MANUAL

PURPOSE OF THIS DOCUMENT

This manual provides a complete process for identifying and evaluating a Neighborhood Watch Area Coordinator. It is designed to ensure fairness and consistency at every stage of the selection process.

1. PROGRAM OVERVIEW & PURPOSE OF THE ROLE

The Palos Verdes Estates Neighborhood Watch program is a community-led safety initiative operating in partnership with the PVE Police Department. It is built on a network of engaged volunteers who serve as the eyes, ears, and communication backbone for public safety across the neighborhood.

The Area Coordinator is the cornerstone of this network. This individual manages the program across an entire designated area, overseeing a team of Block Captains, communicating with law enforcement, and fostering a culture of safety, trust, and civic participation.

Selecting the right person for this role is critical. This manual ensures the process is fair, transparent, and thorough.

2. ELIGIBILITY REQUIREMENTS

All candidates must meet the following minimum criteria at the time of application:

Resource Management

- Order, track, and distribute Neighborhood Watch materials (guides, pamphlets).

4. CODE OF CONDUCT & ETHICAL STANDARDS

All Area Coordinators are expected to uphold the following standards at all times. Failure to comply may result in removal from the role.

Integrity & Impartiality

- Act in the best interest of the community at all times — not personal, political, or commercial interests.
- Treat all residents, Block Captains, and officials with equal respect regardless of background.
- Avoid real or perceived conflicts of interest. Disclose any potential conflicts promptly.

Confidentiality

- Never share sensitive police communications, resident personal data, or program records with unauthorized parties.

Professionalism

- Represent the Neighborhood Watch program with dignity in all communications and public-facing activities.
- Use factual, calm, and constructive language — particularly when reporting neighborhood concerns.
- Refrain from making public statements or media comments on behalf of the program without authorization.

Non-Discrimination

- The program serves all residents equally. Coordinators must not discriminate on the basis of race, ethnicity, religion, national origin, gender, age, disability, sexual orientation, or socioeconomic status.

Accountability

- Attend required meetings and trainings; provide advance notice if unable to attend.
- Respond to communications from law enforcement liaisons and program administrators within 24 hours.
- Report any personal conduct concerns, incidents, or program irregularities to NW leadership promptly.

Code of Conduct Acknowledgment

All selected candidates must sign a Code of Conduct Acknowledgment Form before officially assuming the role. This document confirms that the coordinator has read, understood, and agrees to abide by all program standards.

5. SELECTION COMMITTEE — COMPOSITION & RESPONSIBILITIES

A Selection Committee is formed each time a coordinator vacancy arises. The committee is responsible for a fair, unbiased, and thorough review of all candidates.

Recommended Composition

- Score each applicant using a consistent scoring tool.
- Conduct structured interviews with shortlisted candidates.

- Submit a final recommendation with written justification to NW leadership.
- Maintain strict confidentiality throughout the process.

Conflict of Interest: Any committee member who has a personal, financial, or familial relationship with a candidate must recuse themselves from all deliberations involving that candidate.

6. RECRUITMENT & ANNOUNCEMENT PROCESS

When a vacancy arises — whether through term completion, resignation, or removal — the following recruitment steps should be followed:

Step 1 — Declare the Vacancy

- The NW Program Administrator formally declares the position open.
- A target fill date is established (typically 10–12 weeks from announcement).

Step 2 — Prepare Announcement Materials

- Draft a Position Announcement that includes: role title, area description, responsibilities summary, eligibility requirements, and application deadline.
- Prepare an Application Packet (see Section 7).

Step 3 — Distribute the Announcement

- Email to all current Block Captains and program participants in the area.

- Distribute printed flyers at PVE PD, city hall, and community bulletin boards.
- Request PVE PD liaison to circulate within official police communications.
- Announce at any scheduled community events or neighborhood meetings.

Each applicant must submit a complete application package. Incomplete packages will not be reviewed until all items are received.

8. REVIEW & SCREENING PROCESS

The Selection Committee conducts a structured two-stage review of all applications received.

Stage 1 — Eligibility Screen

All applications are first checked against mandatory eligibility criteria (Section 2). Applications that do not meet minimum requirements are respectfully declined at this stage with written notification.

Stage 2 — Merit Review

Eligible applications are independently scored by each committee member using the evaluation rubric (Section 10). Scores are tabulated and candidates are ranked. The top candidates are invited to interview.

Shortlisting Guidelines

- A minimum of two candidates should be shortlisted where the applicant pool allows.
- If fewer than two eligible candidates apply, the committee may extend the recruitment period.
- Committee members score independently before group discussion to minimize bias.

9. INTERVIEW PROCESS

Shortlisted candidates are invited to a structured interview with the Selection Committee. All candidates are asked the same core questions to ensure fairness.

Interview Format

Element	Detail
Duration	Approximately 30–45 minutes
Format	In-person preferred; video call acceptable
Panel	Full Selection Committee (or minimum 3 members)
Structure	Welcome, core questions, candidate questions, close
Notes	One designated note-taker; scoring completed immediately after

Core Interview Questions

The following questions must be asked of every candidate:

1. Tell us about yourself and why you are interested in serving as an Area Coordinator.
2. How well do you know your neighbors and the designated area? Describe your current involvement.
3. Describe a time you organized or led a group of volunteers or community members. What was the outcome?
4. How would you handle a situation where a neighbor reports a concern that turns out to be a misunderstanding or unfounded?
5. How do you plan to communicate with Block Captains and residents — what tools or methods would you use?
6. What would you do if a Block Captain stopped responding or was not fulfilling their duties?
7. How much time per week can you realistically dedicate to this role?
8. Are you familiar with EPCOC or any other community safety programs in PVE? How would you work with them?
9. What does a successful Neighborhood Watch area look like to you in 12 months?

Optional Follow-Up Questions

- Have you ever dealt with a conflict between neighbors? How did you approach it?
- How would you recruit a new Block Captain for a street that currently has no coverage?
- What is your experience with digital tools such as email groups, Next Door, or similar platforms?

Candidate's Own Questions

Allow 5–10 minutes at the end for the candidate to ask questions. This demonstrates engagement and self-awareness about the role.

10. FINAL SELECTION & APPROVAL

Committee Deliberation

- The committee meets to review composite scores, interview impressions, and reference feedback.
- A consensus recommendation is preferred; a majority vote is acceptable if consensus is not reached.
- A written recommendation memo is prepared, summarizing the rationale for the selection.

Approval

- The recommendation is submitted to NW leadership and/or the PVE PD Community Liaison for final approval.
- Approval is expected within five business days of receiving the recommendation.
- If the recommendation is not approved, the committee is given written reasons and may reconsider.

Tie-Breaking: In the event two candidates receive identical composite scores, the committee chair casts the deciding vote. If the chair is conflicted, the PVE PD liaison serves as the tie-breaker.

11. NOTIFICATION OF OUTCOME

Selected Candidate

- Notified by phone call first, followed by a formal written offer letter.
- Letter includes: role confirmation, area designation, start date, and next steps.
- The candidate has five business days to formally accept or decline in writing.

Non-Selected Candidates

- All interviewed candidates receive a personal phone call or email thanking them for their participation.
- A brief, courteous written notification of the outcome is also sent.
- Feedback may be provided upon request, at the committee's discretion.
- Applicants who were screened out prior to interview receive a written notification only.

All applicant information, scores, and deliberation notes remain confidential and are securely retained for a minimum of one year.

Thank you to all who volunteer their time and dedication to keeping Palos Verdes Estates safe.
